

@ St. Robert CHS

2021

Hi Sir!

From the highest highs of a record-shattering Coding Club CCC record and the completion of our Cryptocurrency project, all the way to the lowest of lows we experienced together this year, I can only look back and remark at the number of accomplishments we have achieved despite all of the things holding us back. Even though our club is held at the end of the week, you always gave up those extra hours of your own time so that our club could run, so from the bottom of my heart, thank you!

Wishing you the best of luck

Hi Mr. Odtuhan,

Adapting to the circumstances surrounding the 2020/21 school year has been difficult for everyone, and I just wanted to thank you for your time and commitment in helping us continue the coding club in the middle of a global pandemic! Whether it be the club scrambling to find a teacher advisor near the beginning of the year, our school's ridiculous performance on the CCC or finishing off one of the most successful years in club history, your dedication to the club from the start has made it all possible. As we both leave St.Robs at the same time, I wish you the best of luck in the future and hope you continue to impact other kids as much as you have the execs and members of the coding club.

Thanks,

Hey sir!

It's sad to hear that you'll be leaving St. Robert at the end of the year. Most teachers wouldn't want to spend their Fridays doing more work and supervising a club, so I'm super grateful that you stuck it out with us. Personally, these weekly coding club meetings have been super fun for me and helped me destress, so I can't stress enough how thankful I am to you for supervising the club. I think you've truly left a great impact on the St. Robert community.

Again, thank you so much, and I wish you the best in your future!

It's been a fun year teaching Python to Coding Club, thank you so much for supervising the club!

👋 Hey Mr. Odtuhan,

Thank you for all that you have done to support Coding Club, and the school community at large. Your commitment to students and the club have gone above and beyond in making our club a success with all the changes that came this year.

I wish you all the best in your future endeavors!

Hi Mr Odtuhan,

Thank you so much for being an amazing supervisor. Despite being in these weird circumstances, you still dedicated your unparalleled time and commitment to the club. I don't think our year could have been this successful without your help and I know the entire club is truly grateful. Good luck in your future endeavours! I know many students like ourselves will be changed by your help!

Best of luck,

Hey Sir,

Thanks for being a great Coding Club supervisor this year! With your support we've been able to be more productive than any other past year that I can remember, not only completing all Python lessons and doing well on CCC, but completing a cryptocurrency project together as a club. Thank you for dedicating a few hours of your time every week to ensure that we can continue to run Coding Club activities.

Once again, thank you!

George

Hi Mr. Odtuhan,

Thank you for taking the time every week to supervise our club. I appreciate all the work you have put in to allow us to run weekly meetings, and suggesting ways to improve our club.

I hope you and your family are doing well. Good luck on your future endeavors!

Best,

Daniel Wang

Hi Mr. Odtuhan!

Thank you so much for your work as our teacher supervisor! I never got to meet you in person because of COVID, but I am so thankful for your support and the time you took to join us every week for our meetings. We really appreciate it!

Best of luck in the future,

- Isabel
:)

Hi Mr. Odtuhan,

Thanks for being a great teacher advisor for Coding Club this year. Although our time together was short, I'll look fondly upon what we've managed to achieve this year as part of the school community.

Wishing you all the best in the years to come, and thank you for going above and beyond teaching here at St. Robs.

Cheers!

Jennifer Liu
!!

Hi Mr. Odtuhan,

Thank you for taking the time out of your Friday every week to be our supervisor this year! Although I have not personally met you due to COVID-19, I am grateful for your time and effort that helped others learn more about coding!

Best wishes,

Samuel
Zhang

Thank you for your time and commitment sir!

Thomas

Hey Mr. Odtuhan!

This year was challenging, but we still managed to hold Coding Club meetings thanks to you! Thanks for everything you've done for the club, and I hope you have fun wherever you go next!

Daniel Z.

Daniel Z.

Hello Sir,

Thank you so much for being such a fantastic teacher supervisor for Coding Club this year. The sacrifices you have made to ensure Coding Club stays up and running have not gone unnoticed - we all greatly appreciate everything you do; we couldn't have done it without you! Those who get to work with you in the near future and beyond are extremely fortunate to have you - as were we!

Best of luck with all of your future endeavors,

Alex :)

Hi Mr. Odtuhan,

Thank you for supervising coding club, as well as all around being such a cool teacher (which of course in large part comes from representing coding club). It was nice to see you welcoming the guest speakers for wellness wednesday and think: Hey! I know that teacher! And I know that no one could have done a better job. We will be sad to see you go.

Best of luck!

Bill

Hi Mr. Odtuhan,

Thank you so much for all your help this year in Coding Club. I really appreciate the time and effort you put into the club to make our meetings possible and allow us to make a difference in the school community.

I wish you all the best in the future,

Cindy Li

Hi Mr. Odtuhan,

Thanks for all the work and effort you put into supervising coding club and leaving a positive impact on everyone in the club! We haven't met in person but I really enjoyed your interview with David Kuo. Best of luck in your future endeavors!

Best wishes,

Ryan Shen

Hey Mr. Odtuhan !

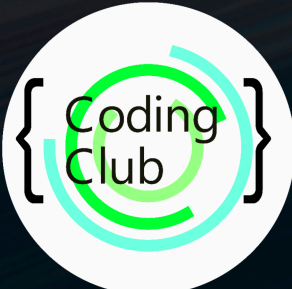

I know we haven't met in person, but I just wanted to say a big thank you for everything you've done for this club this year. Your time and sacrifices do not go unnoticed. Thank you for helping us make this club a success this year !
